## Working Student Product Management (m/w/d)

Student intern | from now on

DRESDEN | BERLIN | VIENNA | SOFIA | WARSAW | BUDAPEST | BUCHAREST

### WE ARE LOOKING FOR...

... a working student (f/m/d) for our Product Team (Apps & Portal) in our Berlin office. Together with your international team, consisting of product managers and developers, you will make our products even more useful, user-friendly and beautiful - happy users who regularly use our products are our top priority! Using agile methods you work on new ideas and features for our apps barcoo and Marktjagd as well as for our online portal [www.marktjagd.de](http://www.marktjagd.de).

### YOUR MISSION WITH US:

- A large part of your work is based on the analysis of data and metrics.
- You create reports that measure the success of our products - either with our internal reporting tool or with Mixpanel.
- You support our product management in creating concepts for new product features and prototypes.
- You develop number-driven hypotheses for features and iterations.
- You participate in our agile development process (User Stories, Kanban).
- You work directly with our developers and designers using Trello and Sketch.

### BENEFITS & PERKS.

- **#diversity&inclusion** - be YOURSELF and get involved in our #nondiscrimination corporate culture with flat hierarchies,

### THAT'S WHAT WE WISH FOR:

- You are a registered student for at least another year (e.g. in the field of media science, (business) computer science, social science, economics).
- You have an affinity for mobile apps and current technologies and have already gained some experience in the online sector.
- Ideally you have already gained experience with SQL/JQL.
- You have strong analytical skills, understand interrelationships and inspire us with your high level of comprehension.
- You are communicative, structured and committed.
- For the communication within our international team you have a very good knowledge of English, spoken and written.

- **#stateofheart** - laptop, keyboard, screen? Here you get the highest quality technical equipment.

- openness and a lot of genuinely nice and decent people.
- **#lean** - lean, agile and highly dynamic working environment with various activities and plenty of room for creativity and co-designing our common path.
- **#personalgrowth** - we support you to develop your own personal Offerista Development Plan, workshops, trainings and regular feedback.
- **#officegoals** - work in modern, playful and centrally located offices, ergonomically equipped and with daily fresh fruits, vegetables & yogurt as well as a tea and coffee flatrate with your favorite milk (vegan-friendly).
